WELCOME TO COUNTY MEDICAL

Dear Policyholder,

Welcome to County Medical.

THE INSURANCE CONTRACT

In return for payment of the **premium** shown in the **policy schedule**, we agree to insure **the insured person(s)**, subject to the terms and conditions contained in or endorsed on this contract of insurance, in the manner and to the extent provided in this contract during the **policy period**.

This document together with your **policy schedule**, forms your official evidence of insurance and sets out the terms and conditions for the cover that your **policy** provides. Please read this document and your **policy schedule** carefully, so that you know exactly what you are covered for and keep both of them in a safe place so that you can refer to them easily if they are needed.

Some of the words and phrases we use in this handbook have a specific meaning. We've highlighted these words in bold. You can find their meanings in the Glossary on page 19.

When we use the words you and your, we mean the member that has purchased this plan as well as any **insured person(s)** covered by your plan.

When we use we, us or our, we mean County Medical and its **insurers**.

IMPORTANT INFORMATION

This document, the **policy schedule**, and any endorsement(s) attached form your insurance. This insurance sets out the conditions of the contract of insurance between you and us. Please read the whole document carefully and keep it in a safe place.

It is important that:

- you check the information contained in the **policy schedule** is accurate and that the **policy schedule** reflects the coverage sections you have requested (see the "Information you have given us" section below);
- you notify us of any inaccuracies in the information contained in the **policy schedule**, or of any changes to that information (see the "Notifying us of any changes or inaccuracies" section within this document);

Failure to comply with the above could adversely affect your insurance or any claim you make.

INFORMATION YOU HAVE GIVEN US

In deciding to accept this insurance and in setting the terms and **premium**, we have relied on the information you have given us. You must take care when answering any questions we ask by ensuring that all information provided is accurate and complete.

If we establish that you deliberately or recklessly provided us with false or misleading information we will treat this insurance as if it had never existed and decline all claims. However, if we establish that, unknown to you, an **insured person** deliberately or recklessly provided false or misleading information we will treat this insurance, in so far as it relates to the **insured person** concerned, as if it had never existed and decline all claims relating to such **insured person**.

If we establish that you carelessly provided us with false or misleading information, it could adversely affect your insurance and any claim. For example we may:

- treat this insurance as if it had never existed and refuse to pay all claims and return the **premium** paid. However, if we establish that, unknown to you, an **insured person** was careless in providing information then we will treat this insurance, in so far as it relates to the **insured person** concerned, as if it had never existed and refuse to pay claims and return a proportion of the paid **premium** that relates to such **insured person**. We will only do this if we provided you with insurance cover which we would not otherwise have offered;

If we establish that you or an **insured person** was careless in providing us with the information we have relied upon in accepting this insurance and setting its terms and **premium** we may:

- amend the terms of your insurance. We may apply these amended terms as if they were already in place if a claim has been adversely impacted by you or an **insured person's** carelessness; or
- charge you more for your insurance or reduce the amount we pay on a claim in the proportion the **premium** you have paid bears to the **premium** we would have charged you; or
- cancel your insurance in accordance with the cancellation terms of this **policy**.

We will write to you if we:

- intend to treat this insurance as if it had never existed; or
- need to amend the terms of your insurance; or
- require you to pay more for your insurance.

NOTIFYING US OF ANY CHANGES OR INACCURACIES

If you become aware that information you have given us is inaccurate or has changed, you must inform us as soon as practicable.

When we are notified that information you previously provided is inaccurate, or of any changes to that information, we will tell you if this affects your insurance. For example we may amend the terms of your insurance or require you to pay more for your insurance or cancel your insurance in accordance with the cancellation terms of this **policy**.

If you fail to notify us that information you have provided is inaccurate, or you fail to notify us of any changes, this insurance may become invalid and we may not pay your claim, or any payment could be reduced.

Surgical procedures for an **acute condition** can either be provided in our **medical network** or you can receive treatment in another **hospital** that is not part of our network.

If you have selected **cancer** as an additional benefit then subject to our policy terms and conditions this benefit is payable as a cash lump sum and is not designed to cover treatments.

As a County Medical member, you will always have the option of either using our **medical network** or, should you prefer, using a **hospital** of your own choice.

Benefits for **surgery** under your plan are different when you are not using our **medical network** so it is important that you bear this in mind when choosing where to have your treatment (please refer to the chart below which highlights the differences).

2. HOW YOUR POLICY WORKS

This section includes details about how we cover treatment, how we pay for it and the rules for pre-existing and chronic conditions.

What treatments you are covered for

Should you require a **surgical procedure** for an **acute condition** which is listed in our **schedule of medical procedures**, then you are covered as a **day-patient, in-patient** or **out-patient** up to the amount as shown in the TABLE OF BENEFITS sections on page 5 depending on whether you have selected to use a County Medical **network hospital** or another **hospital**.

Should you suffer from a **chronic condition** please see the section on page 8 "**How you are covered for chronic conditions**".

Our **schedule of medical procedures** can be found at www.countymedical.co.uk/approved-procedures

In all cases you must refer to **Section 3 'How to make a claim'** which provides full details on what you need to do and who to contact in the event of a potential claim under this **policy**.

If you have selected **cancer** as an additional benefit then subject to our policy terms and conditions this benefit is payable as a cash lump sum and is not designed to cover treatments.

Who provides your treatment

Should you require a **medical procedure** that is listed in our **schedule of medical procedures**, you can either use a County Medical **network hospital** or if you prefer you can use a **hospital** of your own choice.

The amount of benefit that we pay for using **hospitals** that are not in our network can be found on page 5 of this handbook.

www.countymedical.co.uk

How your policy works with pre-existing conditions and their symptoms

- **If your policy is accepted on a moratorium basis** (Your **policy schedule** will confirm if this is the case)

Unless otherwise specified in the **policy schedule**, you will not be covered for **pre-existing medical conditions** (or **related medical conditions**) that you have suffered from in the 5 year period prior to your **start date**.

You will be covered for claims related to these **pre-existing conditions** (or **related medical conditions**) once you have been free of symptoms, treatment and **advice** for 2 continuous years from your **start date**. This is provided any such claim is not subject to our other exclusions and that the condition does not fall under the definition of a **chronic condition**.

- **If your policy is accepted on a medically underwritten basis** (your **policy schedule** will confirm if this is the case)

Your **policy schedule** will show any specific exclusions for any conditions that are considered to relate to **pre-existing conditions** based on the information that **you** have provided. Your **policy schedule** will also show whether we can remove the exclusion after a period of time.

- **If your policy is accepted on a Continued Personal Medical Exclusions (CPME) basis** (Your **policy schedule** will confirm if this is the case)

If your **policy** is accepted on a Continued Personal Medical Exclusions (CPME) basis where you have transferred from another private medical insurance **policy** then any exclusions or moratorium provisions on your previous private medical insurance **policy** will apply along with the exclusions detailed in this document.

How you are covered for chronic conditions

We will not fund any long-term management or monitoring of these conditions but will pay for the initial treatment provided any such treatment is completed within 12 months of the original diagnosis and such treatment is not subject to our other exclusions and the **policy** conditions.

We will not subsequently pay for complications that are known to be associated with or arise from these conditions once a diagnosis has been established and any initial treatment completed; for example, diabetes is known to predispose to developing abnormalities in the retina of the eye and also affects the heart and blood vessels, hence we will not fund treatment for diabetic retinopathy or cardiovascular treatment if you are diagnosed with diabetes.

Cover for Cancer

This coverage only applies if you have chosen to add this coverage to your **policy** and it is shown on your **policy schedule**.

WHAT WE WILL COVER

Should you be diagnosed with **cancer** then this **policy** will pay a cash benefit to you as follows:

| Type | Benefit |
|--------|---------|
| Cancer | £15,000 |

If you have used tobacco or nicotine replacement products within 2 years of a diagnosis for **cancer** then the above benefits will be reduced by 50%.

This benefit can be paid only once for each insured **person** during the lifetime of the **policy**.

EXCLUDED CANCERS

1. **Latent cancers.**
2. **Carcinoma in situ.**
3. Non-melanotic skin cancer – unless there is evidence of distal spread.
4. **Recurrent cancers.**
5. **Second or subsequent primary cancer.**
6. Prostate **cancer** unless the disease has spread beyond the prostate gland and requires treatment other than a local endoscopic resection.

3. WHAT'S NOT COVERED (EXCLUSIONS)

This section explains the circumstances which are not covered by your insurance.

Because this policy is designed to work alongside the NHS, where we do not cover a condition that is better treated in the NHS we explain this and why.

This policy also does not cover conditions that are generally not subject to long-delays in the NHS or where the NHS is better equipped to treat them.

THIS POLICY DOES NOT COVER:

1. Accidents and emergencies – We will not pay for treatment in the accident and emergency department or for admissions resulting from such visits. We will, however, pay for treatment if the condition can be stabilised and further management deferred as a planned procedure, provided any such treatment is not subject to our other exclusions and the **policy** conditions.

2. **Cancer** – We do not fund treatment for **cancer** as this is a priority for the NHS and should be provided in a multidisciplinary setup. As such the care provided within the NHS is efficient and of a high quality. Replicating it in the private sector would result in significantly higher **premiums** for limited benefits. Suspected **cancer** cases within the NHS are expected to be seen and diagnosed within two weeks of GP referral.

If you have selected the optional cancer coverage then we will however pay cash benefits as shown on page 8.

3. Kidney dialysis – We will not pay for kidney dialysis unless it is undertaken as an **inpatient** in a **hospital** for a short time and as a result of complication following a procedure authorised under this scheme.

4. This **policy** is designed to provide cover for necessary and active treatment of a **medical condition** (which we define as 'a disease, illness or injury other than psychiatric illness'). This means for pregnancy and childbirth that we will only pay for eligible additional treatment made necessary by a **medical condition** that is experienced during that pregnancy and/or childbirth. Your policy is not intended to provide cover for preventive treatment, monitoring or screening. We do not pay for the normal interventions required during pregnancy or childbirth as they are not treatments of a **medical condition**.

5. Organ transplant – We will not pay for any condition requiring organ transplant such as heart, lung, kidney, cornea or bone marrow. These require a multidisciplinary approach and should be best undertaken within the NHS.

6. Procedures on children under 2 years – We will not pay for any procedures under taken on children under 2 years of age. These should be done in special units preferably within the NHS.

7. **Consultations** and investigations for the purposes of diagnosing a **medical condition**.

8. Diagnostic Tests such as Blood Tests, ECG's,, Ultrasound Scans, X-rays and biopsies

9. CT/MRI/PET scans

10. Any excess for the first claim in each **policy period**.

CONDITIONS THAT CAN BE A RESULT OF YOUR CHOICE OF LIFESTYLE

11. Cosmetic surgery or life style surgery – We will not pay for any treatment that is considered to be based mainly on a desire to enhance personal appearance or is not absolutely indicated from a medical point of view. As such we will not pay for cosmetic surgery including breast enhancements, tummy tuck or facelifts.
12. Drug or substance abuse – We will not pay for any condition which is in anyway connected with, arising from or as a result of substance, alcohol or drug abuse.
13. Professional and semi- professional sports – We will not pay for treatment you need as a result of training for or taking part in any sport for which you are paid, compete for prize money or receive a grant or sponsorship (other than to meet the costs of travel).
14. Obesity surgery – We will not fund any management or treatment of obesity including gastric bands.
15. Self-inflicted injuries or harm – We will not pay for any treatment required as a result of disregard for personal wellbeing; such as self-inflicted injuries, self-neglect, ignoring safety precautions or disregard for medical advice.
16. Sexually transmitted diseases – We will not pay for treatment of any sexually transmitted disease.

LONG-TERM CONDITIONS THAT REQUIRE ONGOING MEDICAL MANAGEMENT

17. Congenital or genetic disorders – We will not fund treatment for any condition that has been present since birth or is a result of known hereditary predisposition.
18. **Chronic illnesses** and their complications – We will not fund any long-term management or monitoring of these conditions but will pay for the first treatment provided any such treatment is completed within 12 months of the original diagnosis and such treatment is not subject to our other exclusions and the **policy** conditions. We will not subsequently pay for complications that are known to be associated with or arise from these conditions once a diagnosis has been established and any initial treatment completed; for example, diabetes is known to predispose to developing abnormalities in the retina of the eye and also affects the heart and blood vessels, hence we will not fund treatment for diabetic retinopathy or cardiovascular treatment if you are diagnosed with diabetes.
19. Mental health and behavioural disorders- We will not pay for conditions requiring the services of a psychiatrist, psychologist, developmental therapist or counsellor or where admission to a psychiatric bed is required.

PRE-EXISTING CONDITIONS

20. **Pre-existing medical conditions** – Please see “How your policy works with pre-existing conditions and their symptoms” on page 7.

OTHER TREATMENTS AND SITUATIONS THAT ARE NOT COVERED

21. **Active War, Terrorism and Nuclear Risks** – these are standard industry exclusions required by **insurers** and definitions can be found in the Glossary on page 19.
22. Activities not directly related to your treatment – Such as any report writing or provision of certificates.
23. Bills not directly related to your treatment – Such as telephone and meals for guests.
24. Complimentary medicine – We will not pay for any management that is considered to be complimentary medicine such as acupuncture, osteopathy or homeopathy.
25. Dental treatment – We will not pay for any dental or oral treatment.
26. Experimental or unproven treatment – We will not fund any treatment that is not approved by the National Institute of Clinical Excellence, NICE, or considered by it to be under evaluation.
27. HIV/AIDS – We will not pay for any condition arising as a result of AIDS or HIV exposure.
28. Infertility or contraception – We will not fund any treatment to investigate or manage infertility or procedures done for contraceptive purposes.
29. **Out-patient** drugs, dressings or medical appliances – We will not fund any **out-patient** medicine, dressings or medical appliances, including hearing aids.
30. Overseas treatment - We will not pay for any treatment undertaken outside the United Kingdom unless agreed in advance.
31. Prevention and Surveillance - We will not pay for any preventative treatment - such as vaccinations, health screening or procedures for surveillance of clinical conditions.
32. Routine eye care – We will not fund any visits to opticians, pay for glasses or contact lenses or for corrective laser eye surgery.
33. Treatment or admission where no approved procedure is planned – We only authorise treatment or **hospital** admissions where a procedure approved under the scheme is being undertaken. We approve over four hundred procedures representing the bulk of those that are routinely performed in the private sector. The list of procedures covered by this **policy** is on our website. Please read our clarification given below.
34. Treatment undertaken by non-specialists – We will only fund treatment if undertaken by a **medical specialist** who is approved by us.
35. Unauthorised claims – We will not fund claims unless they are pre-approved by us.
36. Visits to your GP - We will not pay for any GP visits.

Other information

DO I NEED TO TELL THE HOSPITAL WHERE I HAVE MY TREATMENT THAT I AM A COUNTY MEDICAL MEMBER?

Once your claim has been approved, if you are being treated in a **hospital** that is part of the County Medical **network hospitals**, you must inform the **hospital** where you have your treatment that you are County Medical member. This will mean that the fees charged for your treatment are those that we have agreed with the **hospital**.

WHAT SHOULD I DO IF I NEED FURTHER TREATMENT?

If you need further treatment, then you must call us on **0800 037 0036** or alternatively send us an email at **info@countymedical.co.uk** first so that we can confirm your cover.

WHAT INFORMATION DO I NEED TO PROVIDE WHEN I MAKE A CLAIM?

When you call us, we'll explain if your treatment is covered and normally you won't need to fill in any forms. However, sometimes we may need more detailed medical information, including access to your medical records. For example this can be to ensure that your claim meets the **policy** conditions and is not a **pre-existing medical condition** (if these are not covered by your **policy**).

We may need more detailed information in any of the following ways:

- We may need to write to your GP or your **consultant** to send us more details about your **medical condition**. Any charges for this are covered by your plan.
- If we have any questions regarding the diagnosis, we may have to ask a specialist to advise us on the medical facts or examine you. In these cases, we will pay for the specialist to do this.
- We may also ask you to give us consent to access your medical records.

Please note that if you are not willing to give us any information that we ask for, or you do not consent to our accessing your medical records, then we may not be able to assess your claim and may not be able to pay it.

WHAT HAPPENS IF MY TREATMENT ISN'T COVERED?

If your **policy** does not cover your required treatment, we'll explain the reasons for this to you and we will also tell you about what we can do to support you through your NHS treatment.

WHAT HAPPENS IF I NEED EMERGENCY TREATMENT?

In an emergency, please call 999 for an NHS ambulance or go to a **hospital** Accident and Emergency department.

Should you require further treatment after your emergency treatment, please call us, as we may be able to cover it.

5. CONDITIONS

Here we explain how long your policy lasts for, how you can cancel it if you need to as well as other general information such as how your excess works.

ABOUT THIS POLICY

Your County Medical personal healthcare plan is an annual insurance **policy** which can be renewed each year.

Various provisions in this **policy** restrict your coverage. Please read the entire **policy** carefully to determine your rights, duties and what is and what is not covered.

The "What's not covered" section on page 9 lists exclusions and situations that are not covered under this **policy**.

Your **policy** is for an initial **policy period** of 12 months. Your **premium** is payable by instalments monthly or by a single annual payment, in advance.

WHO CAN BE COVERED UNDER THIS POLICY?

We will cover you if you live in the United Kingdom, Channel Islands or the Isle of Man for a minimum of 180 days a year and are aged between 18 and 75 years old at inception of this policy, other than for any additional cancer coverage in which case you can be no older than 60 years old at inception.

You can add your spouse or partner who is living permanently with you under this **policy** providing that they also live in the United Kingdom, Channel Islands or the Isle of Man for a minimum of 180 days a year and are aged at least 18 years old.

Your children can be added to this **policy** once they have become 2 years old and until they reach the age of eighteen years old.

HOW LONG DOES YOUR POLICY LAST FOR?

This is an annual **policy** which you can renew each year. However, your cover will end automatically on the date that any of these events happen:

- You stop living in the United Kingdom, Channel Islands or the Isle of Man for a minimum of 180 days a year.
- You or we cancel this **policy** as shown below.
- You stop paying your **premium** and fail to put this right in 30 days.

If, at the end of your annual **policy period**, we decide to offer renewal, then at least 21 days before your **policy period** ends, you will receive details of your cover for the next 12 months, together with a new **policy schedule**.

If we do offer renewal, please note that your new **policy** may contain a different **premium**, cover and/or other terms to that of your existing **policy**. Any new terms will be explained clearly to you in good time before renewal, so that you can decide whether to accept the new **policy** or not.

If, at the end of your annual **policy period**, we decide not to offer renewal, then we will write to you advising you of this at least 21 days before your **policy period** ends.

CANCELLING YOUR POLICY DURING THE COOLING OFF PERIOD

Should you decide that you do not want the cover provided by this **policy**, please contact the scheme **administrator** within 30 days of receiving your **policy** documents. Any **premium** that you have paid will be refunded provided that you have not made or notified us of a claim under the **policy**.

Contact details are as follows:

Compass Underwriting Ltd,
50 Mark Lane,
London EC3R 7QR.
Tel No: 020 7398 0100.
Fax No: 020 7398 0109.
E-mail: info@compassuw.co.uk

CANCELLING YOUR POLICY AFTER THE COOLING OFF PERIOD

You can cancel your **policy** at any other time simply by contacting the scheme **administrator** (contact details as above).

If **premiums** are paid by Direct Debit, then **premium** payments will cease from the next instalment date and we will calculate the return premium due for the year at pro-rata according to the outstanding month at the date of cancellation and will refund this amount to you.

If **premiums** are paid annually in advance then we will calculate the return premium due for the year at pro-rata according to the remaining policy period at the date of cancellation and will refund this amount to you.

If a claim has been made during the current **policy period** then you must pay us the balance of the full annual **premium** for that **policy period**.

Please note that **premium** instalments should be maintained during any period of claim.

INSURERS' RIGHTS OF CANCELLATION

We can also cancel this insurance by giving you thirty (30) days' notice in writing. We will only do this for a valid reason (examples of valid reasons include but are not limited to):

- non-payment of **premium** (If the **premium** still remains outstanding after the 30 day notification period);
- a change in risk occurring which means that we can no longer provide you with insurance cover;
- non-cooperation or failure to supply any information or documentation we request; or
- threatening or abusive behaviour or the use of threatening or abusive language.

If we cancel this **policy** then **premium** payments will cease from the next instalment date following receipt of the cancellation notice.

HOW DOES YOUR EXCESS WORK?

Your **policy schedule** will tell you if you have an excess and how much it is. This section tells you how to pay it.

Your excess is the amount that each person covered under this **policy** contributes to any claims in each **policy period**.

We will deduct your excess from the first claim in each **policy period**. For example if your excess is £100 and you make a claim for £500 then we would pay £400.

Should you have more than one claim then you will only be charged the excess once in each **policy period**.

Should your claim be for a treatment that has a financial limit then we will apply the limit before we take the excess off.

Should you incur costs in a **policy period** and also incur additional costs in the following **policy period** for the same condition, then we will take the excess off the costs incurred in the current **policy period**, as well as the costs incurred in the following **policy period**.

6. LEGAL INFORMATION

This section contains the details of your rights and responsibilities we have to each other including how to complain.

General Legal Information about your policy

LAW AND LEGAL PROCEEDINGS APPLICABLE TO THIS POLICY

Unless you and we agree otherwise, the law which applies to this contract is the law which applies to the part of the United Kingdom in which you live, or if you live in the Channel Islands or Isle of Man, the law of whichever of those two places you live.

TRANSFERRING THIS POLICY (ASSIGNMENT)

You must make sure that whenever you have to provide any information, it is true, accurate, and complete to the best of your knowledge and belief.
